#### WHAT DO WE DO AND HOW CAN YOU HELP?

The TOY Project recycles your unwanted new and used TOYS and gives them to children who need them.

#### DONATE TOYS

We accept all toys both new and used. Please check that all puzzles and games pieces are included before donating.

Toys can be donated at our shop at :

99 Junction Road N19 5QX

Tuesday to Saturday between 11.00am and 6.00pm

PLEASE NOTE WE ARE CLOSED ON SUNDAY AND MONDAY.

If you live in Islington we collect FREE of charge. If you would like us to collect please use the contact form or text us to arrange. If you can ask your friends and neighbours to collect toys at the same time we would be hugely grateful!

You can support in many other ways too. You can volunteer at events, you can donate financially, you can buy specific toys of need, you can hold your own fundraising event, you can spread the word or you could support a school toy collection.

We pride ourself in our scheme where supporters can choose and buy toys on our Face Book page and send directly to the organisation in need.

We are now collecting all your unwanted foreign coins. Please contact us if you have some to donate as we can change these up and put them towards the running of the project.

#### HOW DO WE DO IT?

We RECYCLE unwanted new and used toys.

With no government support we rely solely on the support of the public. We fundraise through events, online auctions, through financial donations and in-kind and toy sales. Our main source of support is through DONATIONS of toys collected in schools, work places and from private homes.
